

2009 Spring Rendezvous at Cowichan Bay.

It was a great rendezvous! The weather was fantastic on Friday, a little damp on Saturday, and a little windy on Sunday - typical west coast weather. The rain held off on Saturday long enough to enjoy the great pot luck dinner - plenty of food and an excellent variety. The showers started right after Grant's cake was cut.

The sailpast on Sunday morning seemed to go quite well this time with "Vigorous II" leading the way.

Thanks to everyone that pitched in to help when it was needed. A special thanks to CBFWA for moving boats to make room for us. Also, thanks to Dave Ericksen for quietly organizing this whole event and managing to organize the variety of boats in an orderly fashion. Thanks to all the WWBA members that attended with or without vessels, because without you this event wouldn't have been much fun at all.
